

# 2022 Residential Recycling & Solid Waste Services Guide

This Service Guide contains important dates and collection information, please read and keep this information.

## TOWN OF HUDSON TRANSFER STATION OPEN DATES

- Each residence serviced by curbside collection will be entitled to **THREE PASSES** per calendar year.
- Passes are valid for that calendar year for which they are issued, and will expire on December 31 of every year.
- Passes may be obtained at the Public Works Department during normal business hours.
- Residents will be required to show a valid picture ID to be issued passes for their address. The address will be prominently displayed on the pass and is valid for that address only. A valid picture ID will also be required at the transfer station to match to the pass.
- A pass will be required to dispose of any acceptable items per visit, not per day.
- No additional passes are allowed nor can they be purchased for a fee. The Public Works Department will prepare and maintain a resources list for available alternatives for disposal.
- The town is not responsible for lost or stolen passes and will not issue replacements.

### RESIDENTIAL PICK-UP OF BULKY AND WHITE GOODS

Hudson residents may call Pinard Waste Systems at 800.675.7933 to schedule a curbside pick-up of any of the items listed below. This service will be provided once per month.

**User fees for this service are as follows: \$30.00 (per item): All freon appliances, TV's & CRT monitors, metal appliances, and non-metal goods (plastic appliances, couches, mattresses, rugs, etc.).**

**Note: The user fee for these items will increase to \$40.00 effective 7/1/2022.**

**Payment: Credit card or check payable to: Pinard Waste Systems**

### HOLIDAY SCHEDULE

Collections for the week of a holiday will be postponed by one day if your trash day falls on or after the following holidays:

- Memorial Day: Monday, May 30, 2022
- 4th of July: Monday, July 4, 2022
- Labor Day: Monday, September 5, 2022
- Thanksgiving Day: Thursday, November 24, 2022

In the event of inclement weather please check [www.hudsonnh.gov](http://www.hudsonnh.gov) for any transfer station schedule changes.

### ALL NEW SCHEDULE

2022 Transfer Station Open Dates 8am-12pm  
(Take West Rd to Old Landfill Rd)

January 29, 2022	July 9 & 30, 2022
February 26 2022	August 13 & 27, 2022
March 26, 2022	September 10 & 24, 2022
April 9 & 30, 2022	October 8 & 29, 2022
May 14 & 28, 2022	November 12 & 26, 2022
June 11 & 25, 2022	December 31, 2022

**Acceptable Items:** Demolition and Building Materials, Clean Sheetrock, Clean Asphalt Shingles, Clean Wood, Brush, Leaves, Furniture, Rugs, Cardboard, Appliances and Scrap Metal. Branches should be no greater than 5 inches in diameter.)  
**NO FREON APPLIANCES, TV'S/CRT'S OR HOUSEHOLD TRASH**

In addition to the above listed dates, residents have access to curbside collection and dumpster service from Pinard Waste System for the items listed above. Please call for rates or to schedule collection. 800.675.7933

### YARD WASTE, METAL & CARDBOARD

Hudson Transfer Station: April-November: Saturdays 8:00 am-Noon for cardboard, metal and yard waste only. Transfer Station passes not required.

Curbside Collection: Saturday, December 3th, 2022 beginning at 7:00 am.

Curbside Yard Waste Guidelines  
Barrels and Biodegradable Leaf Bags Only. No container over 75 pounds in weight. Brush should be bundled with twine and no larger than 2 feet in diameter and 3 feet long.

### 2022 HAZARDOUS WASTE DISPOSAL

The Town of Hudson coordinates with the Nashua Regional Planning Commission to provide Household Hazardous Waste Collection Days for our residents.

**Full details, including dates and locations are available online at [www.nashuarpc.org](http://www.nashuarpc.org) or call 603.417.6570.**

**\$15 User Fee per Vehicle:** Covers 10 gallons or 20 pounds. Cash or check payable to NRSWMD

**Accepted Items Include:** Pesticide, Insecticide, Herbicide, Rodent Killer, Drain Cleaner, Varnish, Coal Tar Driveway Sealer, Muriatic Acid, Antifreeze, Mixed Gasoline, Paint Thinner, Oil & Lead Based Paint, Paint Stripper, Oven Cleaner, Photo Chemicals, Ni-CAD & Lithium batteries, Pool Chemicals. **\*\*\* NO LATEX PAINT \*\*\***

## DETAILS ABOUT YOUR CURBSIDE COLLECTION

### Trash Collection: FREE CART Provided by the Town

Your black cart with the black lid may be placed curbside weekly for trash collection. Remember that all trash **MUST BE BAGGED** before being placed in the cart and the cover **MUST BE CLOSED**. If your household generates additional trash that cannot be handled with one cart, you may subscribe to overflow trash service from Pinard Waste Systems (see below). Items left outside of the cart **WILL NOT BE COLLECTED**.

### Overflow Trash Collection: SUBSCRIPTION SERVICE through Pinard Waste Systems

Recyclable material makes up, on average, 60% of household waste. By recycling everything our program allows, the black cart provided by the Town should be sufficient for most residents' trash needs. For those with greater trash needs Pinard Waste Systems is providing overflow service for an annual fee of \$201.00. The subscription period will run from July 1st - June 30th, and pro-rated for those subscribing after the start date. Full year subscriptions will not be prorated for early removals. Subscription customers will receive a second cart, with a yellow lid, which can be placed curbside along with the cart provided by the Town. At the end of the subscription period, if you choose NOT to renew, Pinard will remove the cart. To sign up for subscription service, visit [www.pinardwaste.com](http://www.pinardwaste.com) or call 800.675.7933.

### BLUE CARTS: Single Stream Recycling

Single Stream Recycling is a program that allows you to place all of your recyclables in one bin. Recycling is collected every other week according to the street listing and calendar on the following pages. All recyclables must be placed in the collection cart **LOOSE (NO BAGS)**. **OVERFLOW OF FLATTENED CARDBOARD IS ALLOWED WITHIN REASON**. Items that fall off or are left outside the cart **WILL NOT BE COLLECTED**. If you're experiencing a persistent, on-going problem whereby your need exceeds the capacity of the cart provided, you may purchase an additional cart for a one-time fee of \$85 (for 65 gal) or \$100 (for 95 gal) by calling Pinard Waste Systems at 800.675.7933. Additionally, to conserve space in your cart, cardboard and paper recyclables can be brought to the town's landfill (no pass required) on the Landfill Open Dates and Landfill Yard Waste Dates listed on page 1.

## Guidelines for Automated Collection

**Please read this resident user guide completely. It contains important program information.**

- All trash should be bagged and placed in the black cart with the black lid, and the lid closed.
- Trash left beside the cart or in other containers will not be collected.
- Collection carts must be set in an accessible location: At least 5 feet from any obstruction such as trees, telephone poles, parked cars, mailboxes, other carts, etc. Approximately 2 feet from the curb and away from low hanging utility lines.
- Carts that are inaccessible will not be serviced until the following week.
- The cart must be placed so that the handle faces the house.
- All carts must be at the curb **by 6:30 AM** on your collection day.
- No hazardous or building materials, yard waste, brush, liquids, or recyclables should be placed in trash carts.
- Blue recycling carts should be placed following the same guidelines as trash carts.

## Cart Information & Barcoding

Hudson Residents will receive one free cart for trash and one for recycling as part of the automated collection program. These carts are the property of Pinard Waste Systems and should not be defaced or modified in any way. You are encouraged to remove all the recyclable items out of your regular trash, before opting for the overflow subscription program. Recycling will reduce the volume in your trash significantly. The recyclables you remove save the Town of Hudson a substantial amount of money; money which comes out of your taxes! Note: All carts are bar-coded to the residential address to which the cart is placed. If you choose to subscribe to overflow trash service, you will receive an additional cart which has a yellow lid. This cart is also bar coded to the residence to which it is delivered. Carts may not be loaned or sold to another resident. No residential address may have additional free cart colors. If this happens, the cart will be scanned and returned to the correct address.

**Place collection cart 2 feet from curb, and at least 5 feet from any obstruction (ie. parked car, other carts, or a tree). On one way streets, carts should be placed on the right-hand side of the street.**

## Missing or Damaged Carts

If for some reason the cart is destroyed, a new cart will be provided free of charge upon the return of the damaged cart. Missing carts will be replaced upon notification to Pinard Waste Systems. Damaged carts will be repaired at no cost to the resident. Call Pinard Waste Systems at 800.675.7933. Please detail the nature of the needed repair. (Lid, wheel, etc.)

Recyclables will be picked up on an alternating weekly schedule, along with your regular trash collection. Please refer to this calendar denoting which week to place your recyclables out for collection.

**HOLIDAY AFFECTING COLLECTION:**

If your collection day falls on or after this Holiday, collection will be delayed by one day.

# RECYCLE RIGHT!

Recycling rules have changed. What you think you know may not be accurate. Many items that may have recycle value, are not allowed in the Single Stream mix. Just because an item is Metal, Paper, Glass or has a triangle on it, doesn't make it acceptable. Here are some simple guidelines that should help you to Recycle Right.

### METAL

Food & Beverage Cans,  
Clean Aluminum

*If it's not made of aluminum, tin, or metal... It's Trash*

### NO

Electronics, Batteries, Pots,  
Pans, Clothes Hangers,  
Tools, Electrical Cords

### PLASTIC

Bottles, Jars, Jugs, Tubs  
5 gallon maximum

*If it did not come with a lid or cap... It's Trash*

### NO

Bags, Wrap Tarps,  
Film, Styro-foam  
Clothes Hangers, CDs,  
Utensils, Straws, Cups,  
Garden Hoses, Toys,  
Cell Phone Cases, Flower, Planters,  
Rubber

### GLASS

Bottles, Jars

*If it did not come with a lid, cap or cork... It's Trash*

### NO

Ceramics,  
Baking Glass,  
Light Bulbs,  
Windows,  
Porcelain

### PAPER/CARDBOARD

Paper, Newspaper,  
Magazines, Boxes

*If you can't tear it... It's Trash*

### NO

Waxed Paper,  
Orange Juice/  
Milk Cartons,  
Hard Cover Books,  
Plastic Coated Paper,  
Wrapping Paper,  
Tissue Paper

**The largest source of contamination is plastic bags, styrofoam, and food waste.**

When in doubt, go to [www.RecycleSmartNH.org](http://www.RecycleSmartNH.org) Enter in the item to find out if it's recycling or trash!

Because of global changes to recycling, the industry has changed how they describe what can and can't be recycled in residential programs. They have moved away from the "look for the symbol," and "1-7" terminology, and instead are spelling out the TYPES of items that are included in the program.
